**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 1-16 are allowed.

**REASONS FOR ALLOWANCE**

2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or suggest individually or in combination the following:

an independent clock pin, coupled to the second system logic circuit as a clock signal pin, wherein the independent clock pin forms an isolation path without coming across the multiplex circuit so as to be isolated from other signal pins.

For these reasons claims 1, 8 and 12 are deemed to be allowable over the prior art of record, and claims 2-7, 9-11 and 13-16 are allowable by dependency.

3. Any comments considered necessary by Applicant must be submitted no later than the payment of the issue fee, and to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for allowance."
